I ride, i ride the winds that bring the rain
A creature of love and i can't be tamed
I want you, cause i'm gonna take your love from him
And i'll touch your face and hot burning skin
No, he'll never ever touch you like i do
So look in my eyes and burn alive the truth

I'm a wild child, come and love me
I want you
My heart's in exile i need you to touch me
'cause i want what you do
I'm a wild child, come and love me
I want you
My heart's in exile i need you to touch me
'cause i want what you do
I want you

Tell me, tell me the lies you're telling him when you
Run away 'cause i wanna know
Cause i, i'm sure it's killing him to find
That you run to me when he lets you go
'cause i'm burning, burning, burning up with fire
So - come turn me on and turn the flames up higher

I'm a wild child, come and love me
I want you
My heart's in exile i need you to touch me
Cause i want what you do
I'm a wild child, come and love me
I want you
My heart's in exile i need you to touch me
Cause i want what you do
I want you

A naked heat machine, i want your love
When the moons arise we'll feel just what it does

I'm a wild child, come and love me
I want you
My heart's in exile i need you to touch me
'cause i want what you do

I'm a wild child, come and love me
I want you
My heart's in exile i need you to touch me
'cause i want what you do
I want you
