The sun turned from my window
And let the blues come in
Now I've got pain and sorrow
To talk to again about my
Case of the missin' you's
The used to be's and
The lonlies, too,
Keepin' my heart chained to the blues
Old yesterday's dropped by
With the wishes you were here's
Sure made good times fly
'til they disappeared
Leavin' me with the miseries
The lost without you's and
The why did you leaves
Keepin' my heart chained to the blues
Oh, my, the way he said goodbye
Just laughin' at me cryin'
In my sorrow
Oh, me, these painful memories
Torture me like there's

No tomorrow, when

My heart will be breakin'

Right along with the dawn

Each part of me achin

Just knowin' he's gone and

Left me with the stark ravin' mad's

The I should've done's and

The wish that I had's

Keepin' my heart chained to the blues

Keepin' my heart chained to the blues

Keepin' my heart chained to the blues
