I hid my heart in self-defense  
I felt the break and consequence  
Never to return to meltin' feelin's inside  
And oh, I've told myself, wouldn't fall again

Even in the light of day  
You'll never see  
How much I feel, feel for you baby  
How much you mean to me

'Cause I fooled ya baby, fooled ya baby  
I'm goin' crazy wishin' I could tell ya  
Fooled ya baby, fooled ya baby  
But now you're in love with somebody else

I fooled ya baby, fooled ya baby  
I wish I could tell ya, how much I love ya  
Fooled ya baby, fooled ya  
But I'm the fool

I bit my lip with ignorance  
I kept it quiet and sat on the fence, yeah  
Never thought it made a difference, no, no, oh  
But my time has come and gone  
And honey, I never took the chance

And oh, even in the light of day  
You'll never see  
How much I feel for you baby  
How much you mean to me

I fooled ya baby, fooled ya baby  
I'm goin' crazy wishin' I could tell ya  
Fooled ya baby, fooled ya baby  
But now you're in love with somebody else

I fooled ya baby, fooled ya baby  
I wish I could tell ya, how much I love ya  
Fooled ya baby, fooled ya  
But I'm the fool

I count the hours till I see your face

I'd stop the world from turnin' out in outer space  
I'd get back the time that's been erased  
Just to have you near me, just to hear you say

That I'm yours till the day you die  
And ain't nobody else in your life  
Ain't nobody ever made me feel  
Sexy like I was wearin' a new pair of heels

I fooled ya baby, fooled ya baby  
I'm goin' crazy wishin' I could tell ya  
Fooled ya baby, fooled ya baby  
But now you're in love with somebody else

I fooled ya baby, fooled ya baby  
I wish I could tell ya, how much I love ya  
Fooled ya baby, fooled ya  
But I'm the fool

I'm the fool  
I'm goin' crazy for you baby  
I'm goin' crazy for you baby

Fooled ya baby, fooled ya baby  
I fooled ya baby, fooled ya baby  
I fooled ya baby, fooled ya baby  
I'm goin' crazy  
I'm goin' crazy

Don't you know  
I'm the fool?
