Y'all know my steelo

What if I was the one to leave your sorry ass behind?  
What if all these tears that're falling were yours instead  
of mine, babe?  
What if I was [Incomprehensible] wiser by the minute?  
What if I knew your were making a bed and just who  
was lying in it?

Hope it felt good to say you love her  
Hope it felt good, baby, baby, baby  
Hope it felt good to be with another  
Hope it felt good

Hope it felt good to say you love her  
Hope it felt good, baby, baby, baby  
Hope it felt good to be with another  
Hope it felt good

And, what if I just wipe the floor with your love without  
even thinking?  
What if the thread you were hanging on  
Had you strung out on wishful thinking?  
I've become clearer since I came out from under the  
wrong impression  
I've been stuck on the detour, baby, heading in the  
wrong direction

Hope it felt good to say you love her  
Hope it felt good, baby, baby, baby  
Hope it felt good to be with another  
Hope it felt good

Hope it felt good to say you love her  
Hope it felt good, baby, baby, baby  
Hope it felt good to be with another  
Hope it felt good

I hope it felt good

Hope it felt good to say you love her  
Hope it felt good, baby, baby, baby

Hope it felt good to be with another  
Hope it felt good

Hope it felt good to say you love her  
Hope it felt good, baby, baby, baby  
Hope it felt good to be with another  
Hope it felt good

I hope it felt good  
I hope it felt good  
I hope it felt good for you, baby  
I hope it felt good for you, baby  
I hope it felt good for you, baby

Alright  
Didn't it feel good, baby?  
I hope it felt good  
I hope it felt good

Didn't it feel good?  
Didn't it feel good?
