I'm gonna leave you yes I'm gonna  
I'm gonna leave you cos I wanna  
And I'll go where people love me  
And I'll stay there cos they love me

No more headaches no more heartbreaks  
I'm gonna leave you where I met you  
I'm gonna leave you whit your money  
I want somebody to call me honey

I don't want gold rings  
I wanna hear sweet things  
I need affection and not protection  
When you're teasing you should be squeezing

I'm gonna leave you where I met you  
Yes I'm pulled up with your person  
And I'm pulled up with your person  
And I waited getting frustrated

I'm old fashioned I want my passion  
So I'm leaving through I'm greaving  
I'm gonna leave you where I met you

I'm gonna leave you  
When you're teasing you should be squeezing  
I'm gonna leave you

I'm gonna leave you cos I'm gonna  
Yes I'm gonna leave you cos I wanna  
And I'll go where people love me  
And I'll stay there cos they love me

No more headaches no more heartbreaks  
I'm gonna leave you where I met you  
I'm gonna leave you whit your money  
I want somebody to call me honey

I don't want gold rings  
I wanna hear sweet things  
I need affection and not protection

When you're teasing you should be squeezing

I'm gonna leave you where I met you  
Yes I'm pulled up with your person  
And I'm pulled up with your person  
And I waited getting frustrated

I'm old fashioned I want my passion  
So I'm leaving through I'm greaving  
I'm gonna leave you where I met you
