Please, don't let this feeling end  
It's everything I am,  
Everything I wanna be;  
I can see what's mine now  
Finding out what's true,  
Since I've found you  
Lookin' through the eyes of love.  
Now I can take the time,  
I can see my life  
As it comes up shining now;  
Reachin' out to touch you,  
I can feel so much,  
Since I've found you  
Lookin' through the eyes of love.  
And now, I do believe,  
That even in a storm, we'll find some light;  
Knowin' you're beside me, I'm alright.  
Please don't let this feelin end,  
It might not come again;  
And I want to remember  
How it feels to touch you;  
How I feel so much,  
Since I've found you  
Lookin' through the eyes of love.  
Reaching out to touch you,  
I can feel so much,  
Since I've found you  
Lookin' through the eyes of love.
