A brand new day
What's in store for us
We can't say
Happiness and problems too
Gray dark clouds
Sunny skies so blue

Morning comes
The night is done
Day breaks slowly for
Everyone
Midnight fears
And those midnight tears
Melt away
They just disappear

BRIDGE:
Tomorrow can't be worse
Than yesterday
Only better in a
Different way
Up high above
The morning sun is shining down
Whatever comes around
One smile is worth two frowns

Morning comes
And you are there
A shining prince

On a snow-white mare
Life's not easy but
It's all right
Together we'll reach the
Highest heights
(Instrumental)

Tomorrow can't be worse than
Yesterday
Just a little bit better in a
Dif-fer-ent way
Up high above

The morning sun is shinin' down
Whatever comes around
A smile can still be found

Morning comes
A brand new day
What's in store for us
We can't say
We may walk and we may have lo run
But morning comes for me and ev-ryone

Morning comes
