Like the day looks forward to the rising sun
Like the sun that everyday kiss the tide
Like the bridge that leads you to the other side
I'm everyday thankful that you're the one

And if you chased me baby, I'd be still as stone
'Cause babe, bring my smile on like no other
There ain't no deeper feeling I get nowhere than
When I'm the skin, the skin beneath your hands

You're some kind of beautiful in my life
You're some kind of beautiful in my life
(Some kind of beautiful, yeah)
You're some kind of beautiful in my life
You're some kind of beautiful in my life

I don't need to hide my willingness
(I don't need to hide my, my)
To revel at the beauty that you possess
Like every grain of sand that rolls with the sea
Just like heaven you and I will forever be
(You and I will forever be)

You're some kind of beautiful in my life
You're some kind of beautiful in my life
(Some kind of beautiful, yeah)
You're some kind of beautiful in my life
You're some kind of beautiful in my life

Some kind of beautiful
[Incomprehensible]
[Incomprehensible]
[Incomprehensible]

You're some kind of beautiful in my life
(Some kind of beautiful, yeah)
You're some kind of beautiful in my life
You're some kind of beautiful in my life
You're some kind of beautiful in my life

You're some kind of beautiful in my life
You're some kind of beautiful in my life

(In my life)
You're some kind of beautiful in my life
You're some kind of beautiful in my life
(In my life)
