Please don't let this feeling end

It's ev'rything I am

Ev'rything I want to be

I can see what's mine now

Finding out what's true

Since I found you

Looking through the eyes of love

And now I can take the time

I can see my life

As it comes up shining now

Reaching out to touch you

I can feel so much

Since I found you

Looking through the eyes of love

And now I do believe

That even in the storm we'll find some light

Knowing you're beside me I'm alright

Please don't let this feelings end

It might not come again

And I want to remember

How it feels to know you

How I feel so much
Since I found you
Looking through the eyes of love
Please don't let this feelings end
It's ev'rything I am
Ev'rything I want to be
I can see what's mine now
Finding out what's true
Since I found you
Looking through the eyes of love
