Sometimes you lift me up
And then sometimes you bring me down
I wonder what you're gonna do
Each time I turn my back around
You're either devil or an angel
A jekyll or a hyde
Trick or treat
Bitter or sweet
The day that we first met
I didn't know what to expect
And so I feel in love whit you
And now my mind is just a wreck
Depending on the mood you're in
You're either good or you're bad
Trick or treat
Bitter or sweet
Tell me why you're foolin' with my mind
I'm either way up front or a far behind
It's up or it's down
And I love being 'round
When it's high up in the sky

But when it's low you bring me down

And I don't know what's going on

I don't want changes from a boy that I just can't depend upon

You either love me or you don't

You either will or you won't

Trick or treat

Bitter or sweet

Tell me why you're foolin' with my mind

I'm either way up front or far behind

It's up or it's down

And I love being 'round

When it's high up in the sky

But when it's low you bring me down

And I don't know what's going on

I don't want changes from a boy that I just can't depend upon

You either love me or you don't

You either will or you won't

Trick or treat

Bitter or sweet

Trick or treat

Bitter or sweet
