I cant wait for answer form far beyond the sun
i cant see the distance
and know the things ive done
sadness takes it times to leave it always seems to be
you bless me when you kiss me
but the truth is what i need

who do you love?
who do you trust?
Who do you love?
Who do you trust?

I will work for lifetimes
until my soul is set free
ill extend my self
beyond a prayer on bended knee
i found my calling inside
the eyes of all thing wild
but one thing i must know
like a mother knows her child

who do you love?
(will you ever come to love me?)
who do you trust?
Who do you love?
Who do you trust?

im waiting
like tomorrow
to take you by the hand
and lead you into forever
sweeten up my land
sadness takes it times to leave it
always seems to be
when you kiss me

who do you love?
who do you trust?
who do you love?
who do you trust?
