Climb every moutain,search high and low.  
Follow every highway,every pad you know.  
Climb every mountain,voud every stream.  
Follow every rainbow,till you find your dream.

A dream that will need,all the love you can give.  
Every day of your life,for as long as you live.

Climb every mountain,voud every stream.  
Follow every rainbow,till you find your dream.

A dream that will need,all the love you can give.  
Every day of your life,for as long as you live.

Climb every mountain,voud every stream.  
Follow every rainbow,till you find your dream.
