Trijntje:

So many times, we said it was forever

Nikki:

Said our love would always be true  
Something in my heart always knew  
I'd be lying here beside you

Trijntje:

On my own, on my own, on my own

Trijntje:

So many promises never should be spoken

Nathalie:

Now I know what loving you cost  
Now we're actually talking divorce  
And we weren't even married

Nikki:

On my own, once again now

Nathalie:

On my own, by myself

Trijntje:

No one said it was easy,  
But it once was so easy  
Well I believe in love,  
Now here I stand  
I wonder why

Trijntje:

I'm on my own,

Nathalie:

On my own

Trijntje and Nikki:

On my own

All:

On my own.

Nikki:

So many times, I know I could have told you  
Nathalie:  
Losing you it cut like a knife,  
Trijntje:  
You walked out and out with my life  
Nathalie:  
I don't wanna live without you

Nathalie:  
On my own  
Nikki:  
On my own  
Trijntje:  
On my own... By myself

Nikki:  
This wasn't how it was supposed to end  
Trijntje:  
On my own  
Nathalie:  
I wish that we could do it all again  
Nikki:  
On my own  
Trijntje:  
I never dreamed I'd spend one night alone  
All:  
On my own

Trijntje:  
I've got to find out what was wrong again  
Nikki:  
My heart is saying that it's time again  
Trijntje:  
I have faith that I would shine again

All:  
On my own
