Oh yeah

Once upon a time
Two, two hearts felt the same way
But three, three, three nights ago
You told me you don't know
Which way, which way you're gonna go

Oh, truth ain't easy but please, please, please me
It's time you made up your mind
I don't wanna cry
I don't wanna be treated like a loser

1-2-3
You're fallin' in love with me
I'm fallin' into your life
Into your life, faster than the speed of light

And 1-2-3
You don't wanna hear from me
But if we can't be like before
Tell me then, oh, what love is for

So fly, just fly away
And don't think I can't take it
'Cause you, you, you oughta know
That if you let me go, you'll throw
You're gonna throw it all away

Oh, truth ain't easy but please, please, please me
It's time you made up your mind
I'm not gonna cry
I don't wanna be treated like a loser

1-2-3
You're fallin' in love with me
I'm falling into your life
Into your life, faster than the speed of light

And 1-2-3
You don't wanna hear from me
But if we can't be like before

Tell me then, oh, what love is for

Everything to keep this love alive
Will we ever, will we ever
Oh, will we ever, will we ever
Get to five, five

1-2-3
You're fallin' in love with me
I'm falling into your life
Into your life, faster than the speed of light

And 1-2-3
You don't wanna hear from me
But if we can't be like before
Tell me then, tell me what love is for

1-2-3
You're fallin' in love with me
I'm falling into your life
Into your life, faster than the speed of light

And 1-2-3
You don't wanna hear from me
But if we can't be like before
Tell me then, tell me what love is for

1-2-3
Tell me now, baby
1-2-3
1-2-3
You're falling in love with me
1-2-3
