Hello
Hi
Hey, I heard you weren't going out with us today
Nah, I don't feel like it
Oh, at least come to the mall
No
Tod's gonna be there

I'm so glad it rained today
Didn't want to get up anyway
I'm gonna watch a Donna flick
And eat chocolate till I'm sick

Don't call
Don't come over
Don't try to make me love

I'm feeling sorry for myself
Stay away, this is my day
I'm loving it
Oh, I don't want nobodys help
I know what I need
Don't feel sorry for me
I'm feeling sorry for myself

I'm not gonna leave my room
I just might cry all afternoon
It's a lot of work to feel this bad
It feels so good to feel this home

Don't call
Don't come over
Don't try to make me love

I'm feeling sorry for myself
Stay away, this is my day
I'm loving it
Oh, I don't want nobodys help
I know what I need
Don't feel sorry for me
I'm feeling sorry for myself

(No no no no)
I don't want to talk about it
(Talk about it, no no)
I wanna be left alone
It's no big deal
It's how I feel
I've said too much
And that's enough
I'm hanging up

Don't call
And don't come over
Don't try to make me love

I'm feeling sorry for myself
Stay away, this is my day
I'm loving it
Oh, I don't want nobodys help
I know what I need
Don't feel sorry for me

I'm feeling sorry for myself
Stay away, this is my day
I'm loving it
Oh, I don't want nobodys help
I know what I need
Don't feel sorry for me

I've said too much and that's enough
I'm hanging up
