Steven:

Of course I have a deal  
You better make it real  
And I will make it easier  
For you

Nikki:

I better get back to the past  
And hope I did that's everything  
Last oh baby I better get out of my  
Head right away

Both:

And you will have to see me  
Tomorrow, and make our wish  
Come true and you will better make  
Me happier than ever so I will have to  
Stick with it for the rest of our lives and  
Make this wish together, forever (yeah)

Nikki:

I love you forever  
You better know  
'Cause I am such  
A loser tracking down  
The road

Steven:

I wanted to believe  
That you're not a loser  
You're just a girl being lonley  
And happy

(Repeat Chorus)

Both 2x:

I wanted somebody  
I needed somebody  
You wanted somebody  
You needed somebody

(Fade Chorus)
