I've got chills, they're multiplyin'
And I'm fallin' apart
'Cuz the power you're supplyin'
Is electrifyin' oh yeah

You better shape up
'Cuz you're the only one
And my heart is set on you
You better shape up
You better understand
To my heart I must be true
(Nothin' left)
Nothin' left for me to do

You're the one that I want
(You are the one I want)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh
The one I need
Oh, yes indeed

Oh, yeah yeah yeah
If you're filled with affection
You're too shy to convey
Meditate in my direction
(Walk this way)
(I'll walk that way)

You better shape up
'Cuz you're the only one
(The only one)
That I want here by my side
I'd better shape up
If I'm gonna show
That my faith is justified
(Are you sure?)
Yes, I'm sure [Incomprehensible]

You're the one that I want
(You are the one I want)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh
The one I need
Oh, yes indeed

I've got chills they're multiplyin'
(You're the one)
'Cuz the power you're supplyin'
(You're the one, baby)
If you're filled with affection
(You're the one)
Meditate in my direction
(You're the one, baby)

You're the one that I want
(Are you the one for me?)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh
The one I need
(The one I need)
Oh, yes indeed
(Oh, yes indeed)

I've got chills they're multiplyin'
(I've got chills they're multiplyin')
'Cuz the power you're supplyin'
('Cuz the power you're supplyin)
If you're filled with affection
(If you're filled with affection)
Meditate in my direction
(You're the one, baby)

You're the one that I want
(You are the one I want)
Ooh, ooh, ooh, honey
The one that I want
(You are the one I want)
Ooh, ooh, ooh, honey

The one that I want
(You are the one I want)
Ooh, ooh, ooh
The one I need
Oh, yes indeed
