[Verse 1]

now they know by ms. 32  
so tell me what you wanna do  
we can just go kick it buy a ticket if you truly do  
boy how bout you get your friends cause I got patnas to  
we been drinkin and been drinkin smokin on some  
purple too  
what y'all tryna get into  
we been rockin all night  
I got people dat got people dats waitin to start a fight  
see we be on dat top flight dat grey goose and done  
got me buzzed  
My Cadillac parked right outside if you tryna to leave  
the club cause I got  
32 flavors of that bootylicious bubble gum  
I mean whats up I ain't tryin to be ya gul  
I'm the baddest bitch up in here all these other hoes is  
dull yep yep  
just call me sherbet you'll be yogi bear baby  
willy wonka call me 32 I drove his ass crazy  
it don't phase me  
Baskin Robbins up next  
we been chittin and been chattin on cuttin a phat check  
diamonds all across my neck  
VV's in my chain  
it's the same old chick ain't a damn thang changed  
You know the name

[Chorus]

[Verse 2]

Verse two every thing I say is true  
I got the ladies goin crazy cause they know I repp em  
too  
we been waitin on you diamond  
You my motivation girl  
dats what they tell me state to state  
even all across the world  
diamonds and pearls is my main agenda  
princess be and m-o-b we keep it colder than winter  
we leave pretenders in the last place

we movin at a fast pace  
I put that one on god you don't believe me den go ask  
mase  
32 flavors of that bootylicious bubble gum  
You want to taste it like a dog you gone chase it  
I'm just stickin to the basics  
betty crocker I'm a cake head  
You betta take it 4 you pass out  
You might just be assed out  
tastin all my 32 flavors till the lights outs  
You want to taste it like a dog you gone chase it  
I'm just stickin to the basics  
betty crocker I'm a cake head  
You betta take it 'fore you pass out  
You might just be assed out  
tastin all my 32 flavors till the lights outs  
water melon grape cherry lemon lime strawberry  
sour apple pineapple whats yo favorite flavor baby?
