I peep yo eyes and now realize that you grow us
together
Could be so wrong had me alone, but now we'll make
this better
I never see the best of me and greater than an other
In extasy my style you need, can't you feelin' a brother?
My love for this not play but thick it's stretched like the
atlantic
No pimpin' out from here on out what we do is romantic
You feelin' this I'm serious and I ain't never kiddin'
I know this creepin' hopes to see that Lil J say you did it

I pay the way for you and J to walk away in this world
I meant for you, you meant for me no need for hard to
get girl
I know you diggin' me, I'm diggin' you, so what's the
hold up?
You did me wrong alone my style is wild but still I'm tow
up
So sick you made me throw up confused, thinkin' about
ya
I had a crush I stay with trust and I would never doubt
ya
One many minute in my feelings 'bout you is so gravy
Not one above you and I love you girl, 'cause you my
baby

I know that you be diggin me
(Diggin me)
Must I push you through extasy?
(Extasy)
But this is how it has to be
So why did you do me so wrong?
(Leave me alone)

I know that you be diggin me
(Diggin me)
Must I push you through extasy?
(Extasy)
But this is how it has to be
So why did you leave me alone?
(Leave me alone)

Why did you do me so wrong?
Shawty, why don't you pick up the phone?
Twenty-four hours in my zone when you hit me back,
I'm gone
Let me alone once again that's fucked my closest
friend
More, more 'lettos more than ten I'm fucked 'bout
Sheetos gin
We was in this shit to win, I drop keysters ain't no joke
Drop you ho right after school
You meet me at every show

You's my baby, you's my foe, you's my lady, you ain't
no ho
'Cuz these hoes just want my money and that shit right
that's fa sho
You just let a nigga go that what I'm supposed to do
Mama told me love's blind shoulda never fucked with
you
But it's cool that's the news even though you gave me
the blues
I'm ready to put that all aside, just to get that right with
you, girl
I'm a fool for your love, in my eyes you are dumb
Plus many naked lies you tell me ain't nothing but for
done
Can tell by the way you posted up, you need a thug in
your life
Sucka muthafuckas, they ain't love in your life

I know that you be diggin me
(Diggin me)
Must I push you through extasy?
(Extasy)
But this is how it has to be
So why did you do me so wrong?
(Leave me alone)

I know that you be diggin me
(Diggin me)
Must I push you through extasy?
(Extasy)
But this is how it has to be
So why did you leave me alone?
(Leave me alone)

I know that you be diggin me
(Diggin me)
Must I push you through extasy?
(Extasy)

But this is how it has to be
So why did you do me so wrong?
(Leave me alone)

I know that you be diggin me
(Diggin me)
Must I push you through ecstasy?
(Ecstasy)
But this is how it has to be
So why did you leave me alone?
(Leave me alone, leave me alone, leave me alone,
leave me alone)
