Ain't nothin' like dem Georgia girls [8x]
[Diamond]

Crucial but civilized 'fronted by none
Roots of by none and by cause we da ones
Runnin' the street and takin' yo men
Fuck what you heard we know bitches is fast
Swervin' our Hondas and Buicks and Lacs
Bum you surprised it was guns in da back Somethin'
went crazy and dats not a lie,
Reppin' da E to the day that I die
Golds in da front, tats on my back
Cuz' in da South we just gangsta like dat
Home of the peaches and home of the braves Home of
the females' dats labeled the same
Faster the massacre sweepin' da map
Holdin' dat shit down for my trap
Keepin' it real for my Georgia girls and pimpin' these
bitches across da world
[Princess]

Now I'ma Georgia chick hoe watch yo back
Test my clique I'll grab my gat
Show no love for hoes who slack
Cuz' when you talk my guns react
Niggas talkin' this and that
Sayin' shit that is in fact
Not true enough to be exact
They mad at all the dough I stack
Cock the pistol back and blow it
Watch the chamber get unloaded
Say you hard but scared to tote it
Trouble hoes I'm lookin' for
Got some rank these niggas know it
Can't be stopped like Shaq and Kobe
Been too hard for ya'll to hold it
Princess I'm the one and only
Ain't nothin' like dem Georgia girls [8x]
[Diamond]

Head bussin', Chevy ridin', pistol totin', smokin'
misses, gold grillin', dope dealin',
Yes we know we be the realest

Pull the baddest niggas
Make em' want us then we keep em' wishin' Use they
friends to make em' jealous
Clean they banks and keep attention
I'm the B.I.G, I told you once I pimp it everyday
All of us some G's cause in my city ain't no other way
Take it to another level let em' know that we don't play
Do it like dem Georgia girls we reach that foot off
everyday

[Princess]
