Crime Mob ho, Crime Mob ho  
Hey, this ya boy Lil Scrappy  
Tha Prince of Crunk  
Yeah, Lil J on tha track nigga  
Ay, it's time for all security to get around  
It's going down

Yeah, well, I'ma gat totin', pistol holdin'  
Nigga on yo damn street stompin', jumpin', bumpin'  
And get crunk off in this damn thang  
Throwin' dem bows up at dez hoes  
They screamin', they bleedin' from they nose

But when we start to swang we makin' niggas hit the flo'  
Ain't no game off in this thang we too deep off yo party  
Crime Mob niggas gettin' started, Ellenwood niggas be the hardest  
So if a nigga come and run his mouth just like ho  
Punch him dead up in his nose and stomp his ass down to the flo'

Yeah we knuckin' and buckin' and ready to fight  
I bet I'ma throw dem thangs

So haters best to think twice and Crime Mob it ain't no  
stoppin'  
Tag team like Saddam Husein, Hitler and Osama Bin  
Laden  
Like they steady gum poppin' and I am actin' a fool

I wish a hater would get crunk up on this Crime Mob  
crew  
Now enough is enough boy  
Rough and get stuffed boy  
Luck is a must boy  
Knuck if buck boy

Knuck if you buck, boy  
Knuck if you buck, boy  
Knuck if you buck, boy  
Knuck if you buck, boy  
Knuck if you buck, boy

Jumpin' off from on the stage, throwin' bows like Johnny  
Cage

All my niggas startin' riots, knockin' down the barricade  
Ellenwood we be to deep the M.O.B is to elite  
Flawless lookin' shawties, you'll be jaw less gettin'  
close to me

Bullets bustin' constantly, rammin' through yo city  
streets  
Broken bones laying long scattered across the  
concrete  
Knuckin' if you buckin' you'll be duckin' if you get too  
close  
In my eyes you wasn't wise, I think it's time I knuck you  
ho

I come in da club shakin' my dreads, throwin' dem  
bows  
And bussin' dez heads

Bitch you irrelevant come to my residence  
Betsa back up for I leave you elect  
I been in drama and committing a crime  
Not leavin' trace, not leavin' a line

We knuckin' and buckin' 'cause I got a nine  
I blow you away 'cause you wastin' my time  
Stupid ass niggas I know what to do  
I waste yo ass you step to my crew  
I'm through wit' you haters so watch what you do

You talkin' bout me then I'm talkin' to you  
You buckin' on us and we leave you in plastic  
You buckin' on me and that shit gone get nasty  
I'm colder than ice and I'm freezing off heads  
I shot at yo city but you cannot tell
