Hiding right behind they homies hesitated to throw up

[PRINCESS:]

A Throw yo sign in the air
Let them niggaz know what set yo claim
Ellenwood dat be ma hood
And where the best is known to hang
In the club crunk
Drunk as hell
Pockets stay the fattest
Quick to buck up on a hoe
Cuz East side bitches be the baddest
Neva backin down
Act a clown I'll show you its nothing
Throw dat E up in yo face
I pulled yo card so get the buckin
You know the deal
And talkin shit is once in time
So let it be known
That I'm about mine
And I am not scared to throw up dat sign bitch

[CHORUS:]

A put yo sign in the air
If you feel it
They don't won't it
Way high in the air
Just like this [x4]

[DIAMOND:]

If they dealin with violence nigga
I'm strapped and I'm ridin
Cuz if you want it I got it
Ma cliques the reason you hottest
I got my burrow
Ma clique
Ma zone and sign in the air
We aint boss claimin
You name it
I'll throw ma sign anywhere
And flip a middle finger for a hater up in ma face
Just know the circumstance
Ain't no second chances yo way
So when you reppin yo sets
Yo city, Hood, and Yo trap
Just keep you mouth close
And dem eyes open and watch yo back

[M.I.G.:]

I throw it up
I put ma sign in the mothafuckin air
If yall niggaz feelin me
Then throw a mothfukin chair
Niggaz wanna know where ya from
This is do it there
If you from the hood
Throw it up 'cuz nigga you don't care
Get ya head knocked off
In the streets it aint fair
Im from Ellenwood man
I smoke weed and drink beer
I put ma sign way high
Cuz I aint playin this year
Heated thang on me

[CHORUS]

[CYCO BLACK:]

North side clique
Let 'em know what hood you represent
Eastside Southside Northside Westside
All us niggaz in this bitch

Its all good leave the club if you don't
cuz you be dem type of niggaz dat get cracked 'gainst
the dome
Take it home

We don't need you up in here
Bitch made niggaz get no love
This a thug atmosphere
Dirty slum in yo ear
This bullshit aint neva died
Put yo sign in that air
All my real niggaz gone ride

[CHORUS]
