Ain't nothin' like dem Southern girls [8x]

[Diamond]

Crucial but civilized 'fronted by none

Roots of by none and by cause we da ones

Runnin' the street and takin' yo men

Fuck what you heard we know bitches is fast

Swervin' our Hondas and Buicks and Lacs

Bum you surprised it was guns in da back Somethin'
went crazy and dats not a lie,

Reppin' da South to the day that I die

Golds in da front, tats on my back

Cuz' in da South we just gangsta like dat

Home of the peaches and home of the braves Home of
the females' dats labeled the same

Faster the massacre sweepin' da map

Holdin' dat shit down for my trap

Keepin' it real for my Southern girls and pimpin' these
bitches across da world

[Princess]

Now I'ma Southern chick hoe watch yo back

Test my clique I'll grab my gat

Show no love for hoes who slack

Cuz' when you talk my guns react

Niggas talkin' this and that

Sayin' shit that is in fact

Not true enough to be exact

They mad at all the dough I stack

Cock the pistol back and blow it

Watch the chamber get unloaded

Say you hard but scared to tote it

Trouble hoes I'm lookin' for

Got some rank these niggas know it

Can't be stopped like Shaq and Kobe

Been too hard for ya'll to hold it

Princess I'm the one and only

Ain't nothin' like dem Southern girls [8x]

[Diamond]

Head bussin', Chevy ridin', pistol totin', smokin'
misses, gold grillin', dope dealin',

Yes we know we be the realest

Pull the baddest niggas

Make em' want us then we keep em' wishin' Use they
friends to make em' jealous

Clean they banks and keep attention

I'm the B.I.G, I told you once I pimp it everyday

All of us some G's cause in my city ain't no other way

Take it to another level let em' know that we don't play

Do it like dem Bama girls we reach that foot off
everyday

[Princess]

Bitch I'ma Southern girl

You better watch yo mouth

Haven't you heard we the realest bitches in the south

I mean we comin' out

Yeah nigga we comin' hard

Some fuckin' rap stars

My clique be slangin' and bangin'

Ya'll only act hard

Cause we some G's mane

P.I.M.P's mane
