Everybody says things they don't mean
Saying what they think but not what they believe
But In this case it's not that way

Everybody claims they know the meaning
Then tell me why it's such a confusing game
Ohh, I don't wanna play

(Do you know the way you feel)
The way you just can't just seem to shake that smile
(Do you know the way you feel)
Deep inside, you know it's right
(People say, what they feel)
But it don't mean that's always right ...OH RIGHT

(Chorus)
Anyone can say I love you
But it's only real with,my baby
He's the only man of my dreams
and I know what he means when he says....I'm the one.

Anyone can say

Everybody wants to believe it
Everybody wants that feeling inside
But believe me it's so hard to find,baby
I've spent my whole life searching
And I've found exactly what I was lookin for
When you showed up at my door

Tell me why,
(Do you know the way you feel)
The way you just can't just seem to shake that smile
(Do you know the way you feel)
Deep inside, you know it's right
(People say, what they feel)
But it don't mean that's always right ...OH RIGHT...yah
yah

(Chorus)
ANYone can say I love you

But it's only real with, my baby
He's the only man of my dreams
and I know what he means when he says....I'm the one.

Love means that something, it's not just something
I just throw around like many other girls do.
Something so special that can be rarely found.
But I've found
It in You

Oooooooooo
YEAHHHHHHH.

Repeat Chorus x3
