Baby, now that I've found you  
I won't let you go  
I'll build my world around you  
I need you so, baby even though  
You don't need me now.

Baby, now that I've found you  
I won't let you go  
I'll build my world around you  
I need you so, baby even though  
You don't need me  
You don't need me. no, no (mmm)

Baby, baby, when first we met  
I knew in this heart of mine  
That you were someone I couldn't forget  
I sit and bide my time.

Spent my life looking for that somebody  
To make me feel like a fool  
Now you tell me that you wanna leave me  
But darling, I just can't let you.

--- Instrumental guitar and fiddle ---

Baby, baby, when first we met  
I knew in this heart of mine  
That you were someone I couldn't forget  
I sit and bide my time.

(Now that I've found you)  
I build my world around you  
I need you so baby  
Even though you don't need me now.

Baby, now that I've found you  
I won't let you go  
I build my world around you  
I need you so, baby, even though  
You don't need me,  
You don't need me, no, no. (mmm mmm mmm...)
