"Believe Me"

Visit "[Believe Me](#)" on MotoLyrics.com

Please don't drive away this one time
I swear if you look into my eyes, my eyes
It's real you see, this apology

I know, I've always had the dream to rewrite

But I, I promise you that changes tonight, tonight
This' over, I'll make it, please

[Chorus]

Can you just believe me, that I'm sorry
That I swallow my pride, cause I'm shattered inside
From the fake, from the lies
Will you believe me, I'm so sorry
Is there any room in your heart
Should go back to the start
And I'm asking can you ever believe me

We both had 2 million tries,
Don't deserve another chance, ...
But I'm hopeless without you,
Can't live without you, so I finally come to'
I know I've said this before
But I'll hurt you no more

[Chorus]

Can you just believe me, that I'm sorry
That I swallow my pride, cause I'm shattered inside
From the fake, from the lies
Will you believe me, I'm so sorry
Is there any room in your heart
Should go back to the start
And I'm asking can you ever believe me

Did someone prolly went too far
To never tell the truth, be myself with you
Let you take it back again and again
And if we must fall
I'd rather let you know,
One time and for all
Promise you that I am done with '

[Chorus]

Can you just believe me, that I'm sorry
That I swallow my pride, cause I'm shattered inside
From the fake, from the lies
Will you believe me, I'm so sorry
Is there any room in your heart
Should go back to the start
And I'm asking can you ever believe me.
