I gotta say what's on my mind.  
Something about us, doesn't seem right... these days.  
Life keeps getting in the way.  
Whenever we try, somehow the plan is always  
rearranged.

It's so hard to say,  
But I gotta do what's best for me.  
You'll be okay...

Chorus:  
I've got to move on, and be who I am.  
I just don't belong here,  
I hope you understand.  
We might find a place in this world someday, but at  
least for now  
I gotta go my own way.

Don't wanna leave it all behind.  
But I get my hopes up and I watch them fall every time.  
Another color turns to grey.  
And it's just too hard... to watch it all... slowly fade  
away.

I'm leaving today  
Cause I gotta do what's best for me.  
You'll be okay...

Repeat Chorus except last word

... way

Bridge:  
What about us?  
What about everything we've been through?  
What about trust?  
You know I never wanted to hurt you.  
What about me?  
What am I supposed to do?

I gotta leave but I'll miss you

Repeat Chorus 2x

Coda:

I gotta go my own way,

I gotta go my own way
