feel the adrenaline
My hearts beating
I need a doctor cuz
I'm getting sick of love

I'm running short of breath
With every step
In need of oxygen
To run away from this

I faced tha demons that
Took me to hell and back
I'm getting heart attack
Took me a hard attack
I'm counting on you cuz I need you here to save me
If my heart fails

How am I suppose to breathe
When all my heart does is bleed
You're too stupid to see
You're making it hard for me
How am I suppose to breathe
When you're too stupid to see
wat ur doing to me
You're making it hard to breathe
You're making it hard to breathe

It isn't that hard to see
My chest is caving in
Someone help me
I need some life support
Can't take this anymore
Love with caution 'cuz.. (my hearts so weak)
I've been a victim of love and your tha crimial
i counted on u but u refused to save me
an my heart failed

How am I suppose to breathe
When all my heart does is bleed
You're too stupid to see
You're making it hard for me
How am I suppose to breathe

When you're too stupid to see
wat ur doing to me
You're making it hard to breathe
You're making it hard to breathe

It isn't that hard to see
Love is blind but I can see
A place for you and me
I can't go on without you
Baby..

How am I suppose to breathe
When all my heart does is bleed
You're too stupid to see
You're making it hard for me
How am I suppose to breathe
When you're too stupid to see
wat ur doing to me
You're making it hard to breathe

How am I suppose to breathe
When all my heart does is bleed
You're too stupid to see
You're making it hard for me
So hard to breathe
