Oooo,  
Oooo,  
Listen up,  
You don't deserve to hear what I'm bout to say,  
To you,  
Listen up,  
You probly ain't goin' believe this at all,  
But it's true,  
You know I got a newer man in my life,  
But, bein with him is makin me realize,  
Ooh (Ooh),  
Maybe I'm not as okay as I thought,  
I was,

Everytime I look in his eyes,  
I want 'em to be yours,  
People tell my friends,  
Like I swear I don't miss him anymore,  
Don't get me wrong,  
You know I'm happy with what I got,  
It ain't fair to him,  
That I want someone he's not,  
Cause all I do is spend my time,  
Tryna find what you gave to me,  
But he can't compete,  
Cause he ain't you,  
That's when I realize,  
Boy I can't even lie,  
Cause now I understand,  
I'm neva gonna have have what I had  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)

Enough,  
I coulda sworn I had enough of the pain... the pain,  
And I,

Never thought I'd be goin through this again... ooo  
again,  
You put me through so much more than I could take,  
But you're the reality that I can't escape,  
Ooh (Ooh)  
I'm only lyin' to myself if I say,  
I know I'm okay

Everytime I look in his eyes,  
I want 'em to be yours,  
People tell my friends,  
Like I swear I don't miss him anymore,  
Don't get me wrong,  
You know I'm happy with what I got,  
It aint between him,  
I want some other guy,  
Cause all I do is spend my time,  
Tryin to find what you gave to me,  
But he can't compete cause he ain't you,  
That's when I realize,  
Boy I can't even lie,  
Cause now I understand,  
I'm neva gonna have have what I had

(Have what I had) X 14  
I never felt,  
The way I felt,  
When I was with you boy  
And I don't think,  
I'll ever find someone to fill that void,  
Even though we've both moved on,  
I know this much is true,  
I can't look you in the eye,  
And tell you that I'm not in love with you

Everytime I look in his eyes,  
I want 'em to be yours,  
People tell my friends,  
Like I swear I don't miss him anymore,  
Don't get me wrong,  
You know I'm happy with what I got,  
It ain't fair to him,  
That I want someone he's not,  
Cause all I do is spend my time,  
Tryna find what you gave to me,  
But he can't compete,  
Cause he ain't you,  
That's when I realize,  
Boy I can't even lie,  
Cause now I understand,  
I'm neva gonna have have what I had

(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)  
(Have what I had)
