My heart can't let you go
Cause what I feel for you runs through my soul
I don't care what you say
I want you to stay
Please don't go away
We both made mistakes
What will it take?
I need you

Cause it's never, never, never, never, never too late
To change your mind
I won't give up give up give up
Hold up
Cause no matter how much time it takes
I'll wait, I'll wait, I'll wait
No matter how much time it takes
I'll wait, I'll wait
No matter how much time it takes

Can't you see how we need
Is one more chance
Why don't you believe
This isn't always (chance?)
I don't care what you say
I want you to stay
Please don't go away
Oo we both made mistakes
What will it take
I need you

Cause it's never, never, never, never, never too late
To change your mind
I won't give up give up give up
Hold up
Cause no matter how much time it takes
I'll wait, I'll wait, I'll wait
No matter how much time it takes
I'll wait, I'll wait
No matter how much time it takes

I won't say goodbye, oh no
This love just can't be denied

(Say you?) come back to me,
Loving you is where I'll be

Cause it's never, never, never, never, never too late
To change your mind
I won't give up, give up, give up
Hold up
Cause no matter how much time it takes
I'll wait, I'll wait, I'll wait
No matter how much time it takes
I'll wait, I'll wait
No matter how much time it takes
