Love  
What you do to me  
Love  
Somehow you got through to me  
Love  
Still tryin to wrap my mind around it  
But I'm so glad I found  
Love  
You're just a little stranger too  
Love  
Think I've been wanting you  
Love  
It's so amazing  
Love  
So I'm still kinda crazy

Love  
Never thought that it was for me  
I was blinded too foolish to see  
Oh that I was wrong  
Could've told me to spread my wings  
Baby you are my everything  
I'm right where I belong

And I can't believe what I did  
Boy you got me like this  
Sitting by the phone  
Waiting for your call

Love  
What you do to me  
Love  
Somehow got through to me  
Love  
Still tryin to wrap my mind around it  
But I'm so glad I found  
Love  
You're just a little stranger too  
Love  
Think I've been wanting you  
Love

It's so amazing  
Love  
So I'm still kinda crazy

Love  
And this feeling its got me weak  
To the point I can hardly breathe  
You made me whole again

It's like you caught all the tears I've cried  
And you patiently put them aside to wash away my pain

And I can't believe what I did  
Boy you got me like this  
Sitting by the phone waiting for your call

Love  
What you do to me  
Love  
Somehow you got through to me  
Love  
Still tryin to wrap my mind around it  
But I'm so glad I found  
Love  
You're just a little stranger too  
Love  
Think I've been wanting you  
Love  
It's so amazing  
Love  
So I'm still kinda crazy

I know alot of things  
But I never knew a love like this  
Some say hip hop loves I love it  
Others get caught in the fame they loveless  
Without you it's like I'm so in the game a love sick  
So I open up my mind like the gutters in the rain  
Shit love was in my heart like the blood is in my veins  
Sometimes we miscommunicate and then we point the  
blame  
But I know you'll never leave me 'cause a mother love  
his lane

Love  
What you do to me  
Love  
Somehow you got through to me  
Love  
Still tryin to wrap my mind around it  
But I'm so glad I found

Love  
You're just a little stranger too  
Love  
Think I've been wanting you  
Love  
It's so amazing  
Love  
So I'm still kinda crazy
