Sitting on the curb body dressed undone oh  
No thanks to you.  
Loves above, but I never learn oh  
No thanks to you.

Was it worth it to you  
Open hearts you forever  
Was die asking too much  
When I ask you to be better?

Chorus:  
No thanks to you  
Guess it's over in the house lights up  
The music it's better, No thanks to you.  
I've traded all your lies go truth  
I had to do it, no thanks to you  
I'm wiser, I'm I'm a fighter  
I'm traded, No thanks to you.  
Girl in everything I never knew, oh oh oh  
No thanks to you.

Numbers on the clock indicate with through oh, (No  
thanks to you.)  
How could someone so weak, could make me so  
strong, No thanks to you.  
Hope it was worth it that you, when it huts you, forever  
Did I need you too much? Okay I need you to be better

Chorus:  
No thanks to you  
Guess it's over in the house lights up  
The music it's better, No thanks to you.  
I've traded all your lies go truth  
I had to do it, no thanks to you  
I'm wiser, I'm I'm a fighter  
I'm traded, No thanks to you.  
Girl in everything I never knew, oh oh oh  
No thanks to you.

I'm wiser, I'm I'm a fighter  
A survivor, no thanks to you

I'm wiser, I'm I'm a fighter  
A survivor, no thanks to you

Dancers over in the house I've done, done done done  
NO thanks to you.  
I've traded all your lights for truth.  
No thanks to you.
