Now that I've found you
You know that I'm down to
Just give it my all
Anytime, I don't mind

Now that I've found you
You know I'm down to
Just give you my all
Any time, I don't mind baby

Now that I've found you
When you be down you
Just give me a call
Said any time, I don't mind baby

No more lies, no more cries
So long nights that I just dream away
No more lies, said no more cries
Tell me I'm right, just be with me today

I have to say the moment I met you
You came to my rescue
Now my heart just still beats to you
When everything goes dark you're my light
My light in the past, forget my life in the past
Now that you you you'll
Be my picture from now on
Yea I know we've got this through our problems
There's one thing I can promise you

Now that I've found you
You know I'm down to
Just give you my all
Any time, I don't mind baby

Now that I've found you
When you be down you
Just give me a call
Said any time, I don't mind baby

Yea you are everything I wished for, man

A true star through the wishful songs
Ask me once, yea how fast it's done
You dance your cherry up and you land this one
Two hands, when it get between it
No sex now, who's still scooching you eh?
Girl you're so fine, I wanna be with you
It ain't no lie, believe the truth girl
You need a break? Then you take it
Sleepless days, gonna wake and see the rain
We face it together, some days replacing the weather

Now that I've found you
You know I'm down to
Just give you my all
Any time, I don't mind baby

Now that I've found you
When you be down you
Just give me a call
Said any time, I don't mind baby

No more lies, no more cries
So long nights that I just dream away
No more lies, said no more cries
Tell me I'm right, just be with me today

Every moment spent with you
I'll cherish til the time comes
I will never bend the truth
Til I rest in peace, this is destiny

Now that I've found you
You know that I'm down to
Just give it my all
Any time, I don't mind baby

Now that I've found you
You know that I'm down to
Just give it my all
Any time, I don't mind baby

Now that I've found you
You know I'm down to
Just give you my all
Any time, I don't mind baby

Now that I've found you
When you be down you
Just give me a call
Said any time, I don't mind baby

Now that I've found you
You know I'm down to
Just give you my all
Any time, I don't mind baby

Now that I've found you
When you be down you
Just give me a call
Said any time, I don't mind baby
