[Spoken:]

Turn my mic lever up

Check

There you go

Danger

Clutch

[Verse 1:]

My heart got broken

And my chest been hurtin

What I need is a personal prescripational killer (painkiller)

Can't sleep even make it out of bed

Take my tempature

Mista put ya hand

Across my head you got me hot for ya

You give me relieeve

It must have been your Vitamin C

Doctors orders, one glass of water

One dose of you, and call me in the mornin'

[Chorus:]

Doctor, doctor hurry quick

Fix me, fix me I'mma love sick

Diagnose me red roses

And time not to notice, all of those things I want

Help me, help me say you will

Be the pill, for my ills

See I'm so sick make it better better baby

Say you will ah please baby be my painkiller

See I'm so sick make it better better baby

Say you will ah please baby be my painkiller

[Verse 2:]

I need the best i-x no side affects

Hit the next pharmacy see if they got some left

Diagnoses with a case of heartburn
Doctor will you ever get me when you gonna
Learn I know I'm hot-headed its so good to me
But you got the medicine I need
Doctors order, one glass of water
One dose of you, and call me in the mornin'

[Chorus:]

Doctor, doctor hurry quick
Fix me, fix me I'mma love sick
Diagnose me red roses
And time not to notice, all of those things I want
Help me, help me say you will
Be the pill, for my ills
See I'm so sick make it better better baby
Say you will ah please baby be my painkiller
See I'm so sick make it better better baby
Say you will ah please baby be my painkiller

[Bridge:]

I got, I got, I got
(I got this pain in my chest)
I can't I can't I can't
(would you look at me Imma mess)
You got it, you got it, you got it
(ohhhh you got it)
To be, to be, to be
(ohh you affected me)

I can't get you off my mind (no I can't get you off my mind)
I can't get you off my mind
I can't get you off my mind (I can't get you off my mind)
Ooh, Huh Huh Huh Huh Huh Huh Huh
Ooh, Huh Huh Huh Huh Huh Huh Huh
(doctor doctor help me baby)

[Chorus:]

Doctor, doctor hurry quick (yeah)
Fix me, fix me Imma love sick
Diagnose me red roses
And time not to notice, all of those things I want
Help me, help me say you will
Be the pill, for my ills

See I'm so sick make it better better baby
Say you will ah please baby be my painkiller
See I'm so sick make it better better baby
Say you will ah please baby be my painkiller

I need the best i-x
Huh Huh Huh Huh Huh Huh Huh

I need the best -x
Huh Huh Huh Huh Huh Huh

I need the best l-x
Huh Huh Huh Huh Huh Huh

Huh Huh Huh Huh Huh Huh

Painkiller

[laugh]
