Flying on a broken wing
Holding onto anything of you
I can't seem to see your face
All I am is emptiness
So why did you look of fire

Cause I, I said I'd never be your pain
But I can't even hear your name
Without just dying
And I thought I'd never play the game
But I will even take the blame
I'm praying you run back to me

Run back to me
Run back to me
Run back to me

Now I'm tryna figure out
Why does heartbreak always cloud the truth
And where went my independence
I guess it died with you

Cause I, I said I'd never be your pain
But I can't even hear your name
Without just dying
And I thought I'd never play the game
But I will even take the blame
I'm praying you run back to me

And when life has passed me by
And it's taken back it's time
All I know is you're the one
And as long as my heart beats
Til you come back to me
I'll be holding on our love

Cause I, I said I'd never be your pain
But I can't even hear your name
Without just dying
And I thought I'd never play the game
But I will even take the blame
I'm praying you run back to me

Run back to me
Run back to me
Run back to me
Run back to me
Run back to me
Run back to me
Run back to me
