Verse 1: How many times do I have to say,
My love ain't gonna change?
Tell me what boy can I prove,
That I'll always be here for you?

Pre-Chorus: Don't push away I can't take it.
You're breaking me down and I can't fake it.
Now I just gotta find a way to get it through to you.

Chorus: I Love You, Yes I do.
but you're holding onto something I can't win or lose.
oh baby I...
I Love You, Yes I do.
but you're holding onto something I can't win or lose.
oh baby I, I, I, I...

Verse 2: Only you can understand,
The woman that I am..
It's such a beauty in our love,
I know you're sent from up above.
Pre-Chorus: Don't push away I can't take it.
You're breaking me down and I can't fake it.
Now I just gotta find a way to get it through to you.

Chorus: I Love You, Yes I do.
but you're holding onto something I can't win or lose.
oh baby I...
I Love You, Yes I do.
but you're holding onto something I can't win or lose.

Bridge: No one falls in love by choice
So we gotta make it, (make it yes)
You set me free, and now I'm proud, to be myself,
nobody else.
Could ever mean more to me.

Spoken: I Love You

Repeat Chorus 2x's
