Tied and nailed piece of flesh  
Tormented new object  
Incision, merciless  
Scientific bloodshed

Christ pose looks grotesque  
Martyrized, innocent  
Novelty, dismemberment  
Insensible and decadent

[Chorus]  
Crucified - pay for our vanity  
Crucified - urge our insanity

Crucified - die for humanity

Crucified

Deep cut into life  
Scalpel, murder knife  
Consciously reviled  
Instrument of spite

No release, end delayed  
Sadism the human way  
Constant slow decay  
Running red life slips away

[chorus]

Scapegoat bleeding thing  
Provoked suffering  
Senseless inhumane  
Another life is spent in vain

Tied and nailed and ripped apart  
Work is done, morbid art  
Painful death, so absurd  
Cries of pain were never heard

[chorus]
