"Downfall"

Everything's falling

This is the end

Structures collapsing

Your little life is erased

Everyone's dying

You thought you were safe

How could it happen

Your dream of life was

Betrayed

Decay

Corrosion

Downfall

Oblivion

Time to wake up

There's no way back

It's you and it's me

And it's us

None to blame

Makes no sense

Downward we go now

We burn

Burn

Burn

Burn
