"Eyes Of Temptation"

Visit "[Eyes Of Temptation](#)" on MotoLyrics.com

Serpent goddess, mother of sin
Perfect drug, scent of perdition
Final fortune, embrace of damnation and death

Take my hand
Lead me into
Gardens of eden
Or sulphur and flames

Snake eyes, can't avoid their sight
Sweet caress, irresistible drive

Temptation
The forbidden fruit
Intoxication
With eternal youth

All lies, the vows that you make
Deny the rules that you break

Temptation
The forbidden fruit
Intoxication
With eternal youth

Eyes of temptation
Embrace of damnation and death

Snake eyes, can't avoid their sight
Sweet caress, irresistible drive

Temptation
The forbidden fruit
Intoxication
With eternal youth
