Cold white room  
Stench of death  
Why are we here  
Nobody knows

Faceless  
Uniformed  
Dehumanized

[Chorus:]  
Why am I here  
In this nightmare within  
Why am I here  
In this life in this skin

Senseless ritual  
Meaningless moves  
Empty faces  
Hollow eyes

Faceless  
Uniformed  
Dehumanized

[Chorus]

Set me free  
Let me be  
Set me free  
Let me be

[Chorus x2]

Set me free  
Let me be  
Set me free  
Let me be
