Black, life fades to black
Nothing to bring it back
What you covet what you suffered for
You will lose it all

Why
The mind's erase
The flesh decayed
The void awaits

Why
The mind's erase
The flesh decayed
The void awaits

Life is agony a path to nowhere
Time is a spiral of fear
No real freedom the body a cage
Consumed and rotting with age

Why
The mind's erase
The flesh decayed
The void awaits

Why
The mind's erase
The flesh decayed
The void awaits

Why

Ashes to ashes, dust to dust
Illusion of life lost
Ashes to ashes, dust to dust
Illusion of life lost

Why
The mind's erase
The flesh decayed
The void awaits

Why
The mind's erase
The flesh decayed
The void awaits

Devoured by oblivion
All you were is gone
Nothing remains in the end
But a dead soul left behind

Why
The mind's erase
The flesh decayed
The void awaits

Why
The mind's erase
The flesh decayed
The void awaits

Why
