Through valleys  
And mountains  
Decisive campaign  
Forces moving  
Towards their aim  
Target weak spots  
Resistance breaks  
Bio-weapon stockpiles  
Spitting their hate

Invade penetrate  
Move in fast  
Intrude infiltrate  
Defenses collapse  
Blood filled trenches  
Troops endeterred  
Toxic fumes fill the air  
The stench of death

[Bridge]  
One on one fighting

Battle is racing  
Both sides are mourning  
The end is coming

[Chorus]  
The end of the game  
You're shot in the face

[Chorus]

Ambushed from behind  
Dying in the mud  
Heads split open  
Gushing with blood  
Comrades brothers  
Die in your hands  
Last man standing  
Clean up the mess

[Bridge]

[Chorus]
