Parts of a machine  
Modern day slavery  
Dehumanizing control  
Wasted lives fading

Sick Society System  
Sick Society System

System of survival  
Construction of no future  
Growing mass frustration  
Crushing all resistance

Sick Society System  
Sick Society System  
Sick Society System

Senses saturated  
Feelings mutilated  
Will to live castrated  
Inner self hated

Sick Society System  
Sick Society System  
Sick Society System
