Strange ways lead us into  
An early demise  
Insane creed of destruction  
Denail of life  
Spiritual self-mutilation  
Worshipping death  
Drown in a sea of frustration  
Cult of Baphomet

Life's mysterious ways  
Fathomless realms  
The Answers that we chase  
Lie down in the depths

New life screaming for freedom  
Chained to the past  
Cast into pits of damnation  
Driven by hate  
False truths written in blood  
Of and orphaned child  
Sucked into and abyss of failure  
Purgatory inside

Life's mysterious ways  
Fathomless realms  
The Answers that we chase  
Lie down in the depths

We are the children of pain  
We walk through hell  
We are the children of pain  
We are insane

Strange ways lead us into  
An early demise  
Insane creed of destruction  
Denial of life  
Drinking the snake's poison  
Elixir of youth  
We choose the path we walk on  
Free will suicide
