i can't shake this feeling from my head  
there's a devil sleeping in my bed  
he's watching you from across the way  
i cannot make this feeling go away

i know it's not the right thing  
and i know it's not the good thing  
kinda i want to  
kinda i want to

i'm not sure of what i should do  
when every thought i'm thinking of is you  
all of my excuses turn to lies  
or maybe God will cover up his eyes

and i know it's not the right thing  
and i know it's not the good thing  
kinda i want to  
kinda i want to  
kinda i want to  
kinda i want to

somebody  
somebody  
somebody  
somebody  
somebody  
somebody  
somebody  
somebody

kinda i want to  
maybe just for tonight  
we can pretend it's alright  
what's the price i pay  
i don't care what they say

i want to  
i want to  
i want to  
i want to  
i want to

i want to  
i want to  
i want to
