It's still getting worse after everything I've tried
What if I found a way to wash it all aside
What if she touches with those fingertips
As the words spill out like fire from her lips

If she says cum inside I'll cum inside for her
If she says give it all I'll give everything to her

I am justified
I am purified
I am sanctified
Inside you

Heaven's just a rumor she'll dispell
As she walks me through the nicest parts of hell (Dance
of hell)
I still dream of lips I never should have kissed
Well she knows exactly what I can't resist

If she says cum inside I'll cum inside for her
If she says give it all I'll give everything to her

I am justified
I am purified
I am sanctified
Inside you

"Dear mom and dad, this is the hardest letter I've ever
had to write.
I'd hoped somehow to get out of this quickly so that
you'd never have
to know about it, but that just isn't possible now. I don't
know what's
going to happen, but what can I say to you? Will 'I'm
sorry' make a
difference? Will it ease the pain? The shame you must
be feeling...
Forgive me....Please."

I'm just caught up in another of her spells
Well, she's turning me into someone else
Every day I hope and pray that this will end

But when I can I do it all again

And if she says cum inside I'll cum inside for her
And if she says give it all I'll give everything to her

I am justified
I am purified
I am sanctified
Inside you

I am justified
I am purified
I am sanctified
Inside you
