just when everything was making sense  
you took away all my self-confidence  
now all that i've been hearing must be true  
i guess i'm not the only boy for you

but that's what i get  
that's what i get  
that's what i get  
that's what i get

how can you turn me into this?  
after you just taught me how to kiss you  
i told you i'd never say goodbye  
now i'm slipping on the tears you made me cry

but that's what i get  
that's what i get  
that's what i get  
that's what i get

why's it come as a surprise  
to think that i was so naive  
maybe didn't mean that much  
but it meant everything to me

that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get  
that's what i get
