she shines  
in a world full of ugliness  
she matters  
when everything is meaningless

fragile  
she doesn't see her beauty  
she tries to get away  
sometimes  
it's just that nothing seems worth saving  
i can't watch her slip away

i won't let you fall apart  
she reads the minds of all the people as they pass her  
by  
hoping someone can see  
if i could fix myself i'd -  
but it's too late for me

i won't let you fall apart  
we'll find the perfect place to go where we can run and  
hide  
i'll build a wall and we can keep them on the other side  
...but they keep waiting  
...and picking...

it's something i have to do  
i was there, too  
before everything else  
i was like you
