"The Only Time"

Visit "[The Only Time](#)" on MotoLyrics.com

i'm drunk
and right now i am so in love with you
and i don't want to think too much about what we
should or shouldn't do
lay my hands on Heaven and the sun and the moon
and the stars
while the devil wants to fuck me in the back of his car
nothing quite like the feel of something new

maybe i'm all messed up
maybe i'm all messed up
maybe i'm all messed up in you
maybe i'm all messed up
maybe i'm all messed up
maybe i'm all messed up
maybe i'm all messed up in you
maybe i'm all messed up

this is the only time i really feel alive
this is the only time i really feel alive

i swear
i just found everything i need
the sweat in your eyes the blood in your veins are
listening to me
well i want to wrap it up and swim in it until i drown
my moral standing is lying down
nothing quite like the feel of something new

maybe i'm all messed up
maybe i'm all messed up
maybe i'm all messed up in you
maybe i'm all messed up
maybe i'm all messed up
maybe i'm all messed up
maybe i'm all messed up in you
maybe i'm all messed up

this is the only time i really feel alive
this is the only time i really feel alive

maybe i'm all messed up in you

this is the only time i really feel alive
this is the only time i really feel alive
this is the only time i really feel alive
this is the only time i really feel alive
