Got beautifully beaten by the storm
Uncovered so many layers
This physical manifestation of me is
Not who I am, not who I am
So clinical analyzation of me is
Not who I am, not who I am
And you, will always be here
Yes you will always be here
With you I seem to loose all sense of who I am
Is gone with us just breathing
In, out, in, out, brings me alive

With you I seem to loose all sense of who I am
Is gone with us just breathing
In, out, in, out, brings me alive
In, out, in, out, brings me alive
In, out, in, out, brings me alive
In, out, in, out, brings me alive

Bring me alive
Got beautifully beaten by the storm
Uncovered so many layers
This physical manifestation of me is
Not who I am, not who I am
So clinical analyzation of me is
Not who I am, not who I am
And you, will always be here
Yes you will always be here
With you I seem to loose all sense of who I am
Is gone with us just breathing
In, out, in, out, brings me alive

With you I seem to loose all sense of who I am
Is gone with us just breathing
In, out, in, out, brings me alive
In, out, in, out, brings me alive
In out, in out, brings me alive
In out, in out, brings me alive

Brings me alive, brings me alive
Brings me alive, brings me alive.
Brings me alive, brings me alive.

Brings me alive, brings me alive.
Brings me alive, brings me alive X11
This music - Brings me alive, brings me alive
This music - Brings me alive, brings me alive...
